

■ Domestic Patent  
(Japan)

Patent

Patent No. 3955658 Air Shck Gun Unit etc.  
Patent No. 4162296  
Patent No. 4357989 Super Sonic Tornador etc.  
Patent No. 4454077 Brush Gun etc.  
Patent No. 4485021 Air Mousse Gun  
Patent No. 4495485 Super Sonic Tornador etc.  
Patent No. 4673673  
Patent No. 4926290 Mechanical Swing Nozzle  
Patent No. 5020320 Brushing Cleaner  
Patent No. 5504059  
Patent No. 5646243 Vortexer etc.  
Patent No. 5919011  
Patent No. 6080657 Vortexer etc.  
Patent No. 6080664  
Patent No. 6202951  
Patent No. 6559979 Versatile Brush Gun  
Patent No. 6596803

Continuous Innovation

Unlimited Imagination

# About GA-REW

We have been dedicated to developing unique tools and have obtained multiple patents.

Our products are chosen by various manufacturing companies, including major automotive manufacturers in Japan and overseas.

We strive to develop and research products for saving energy/electricity / human resources, improving quality, and reducing work time.

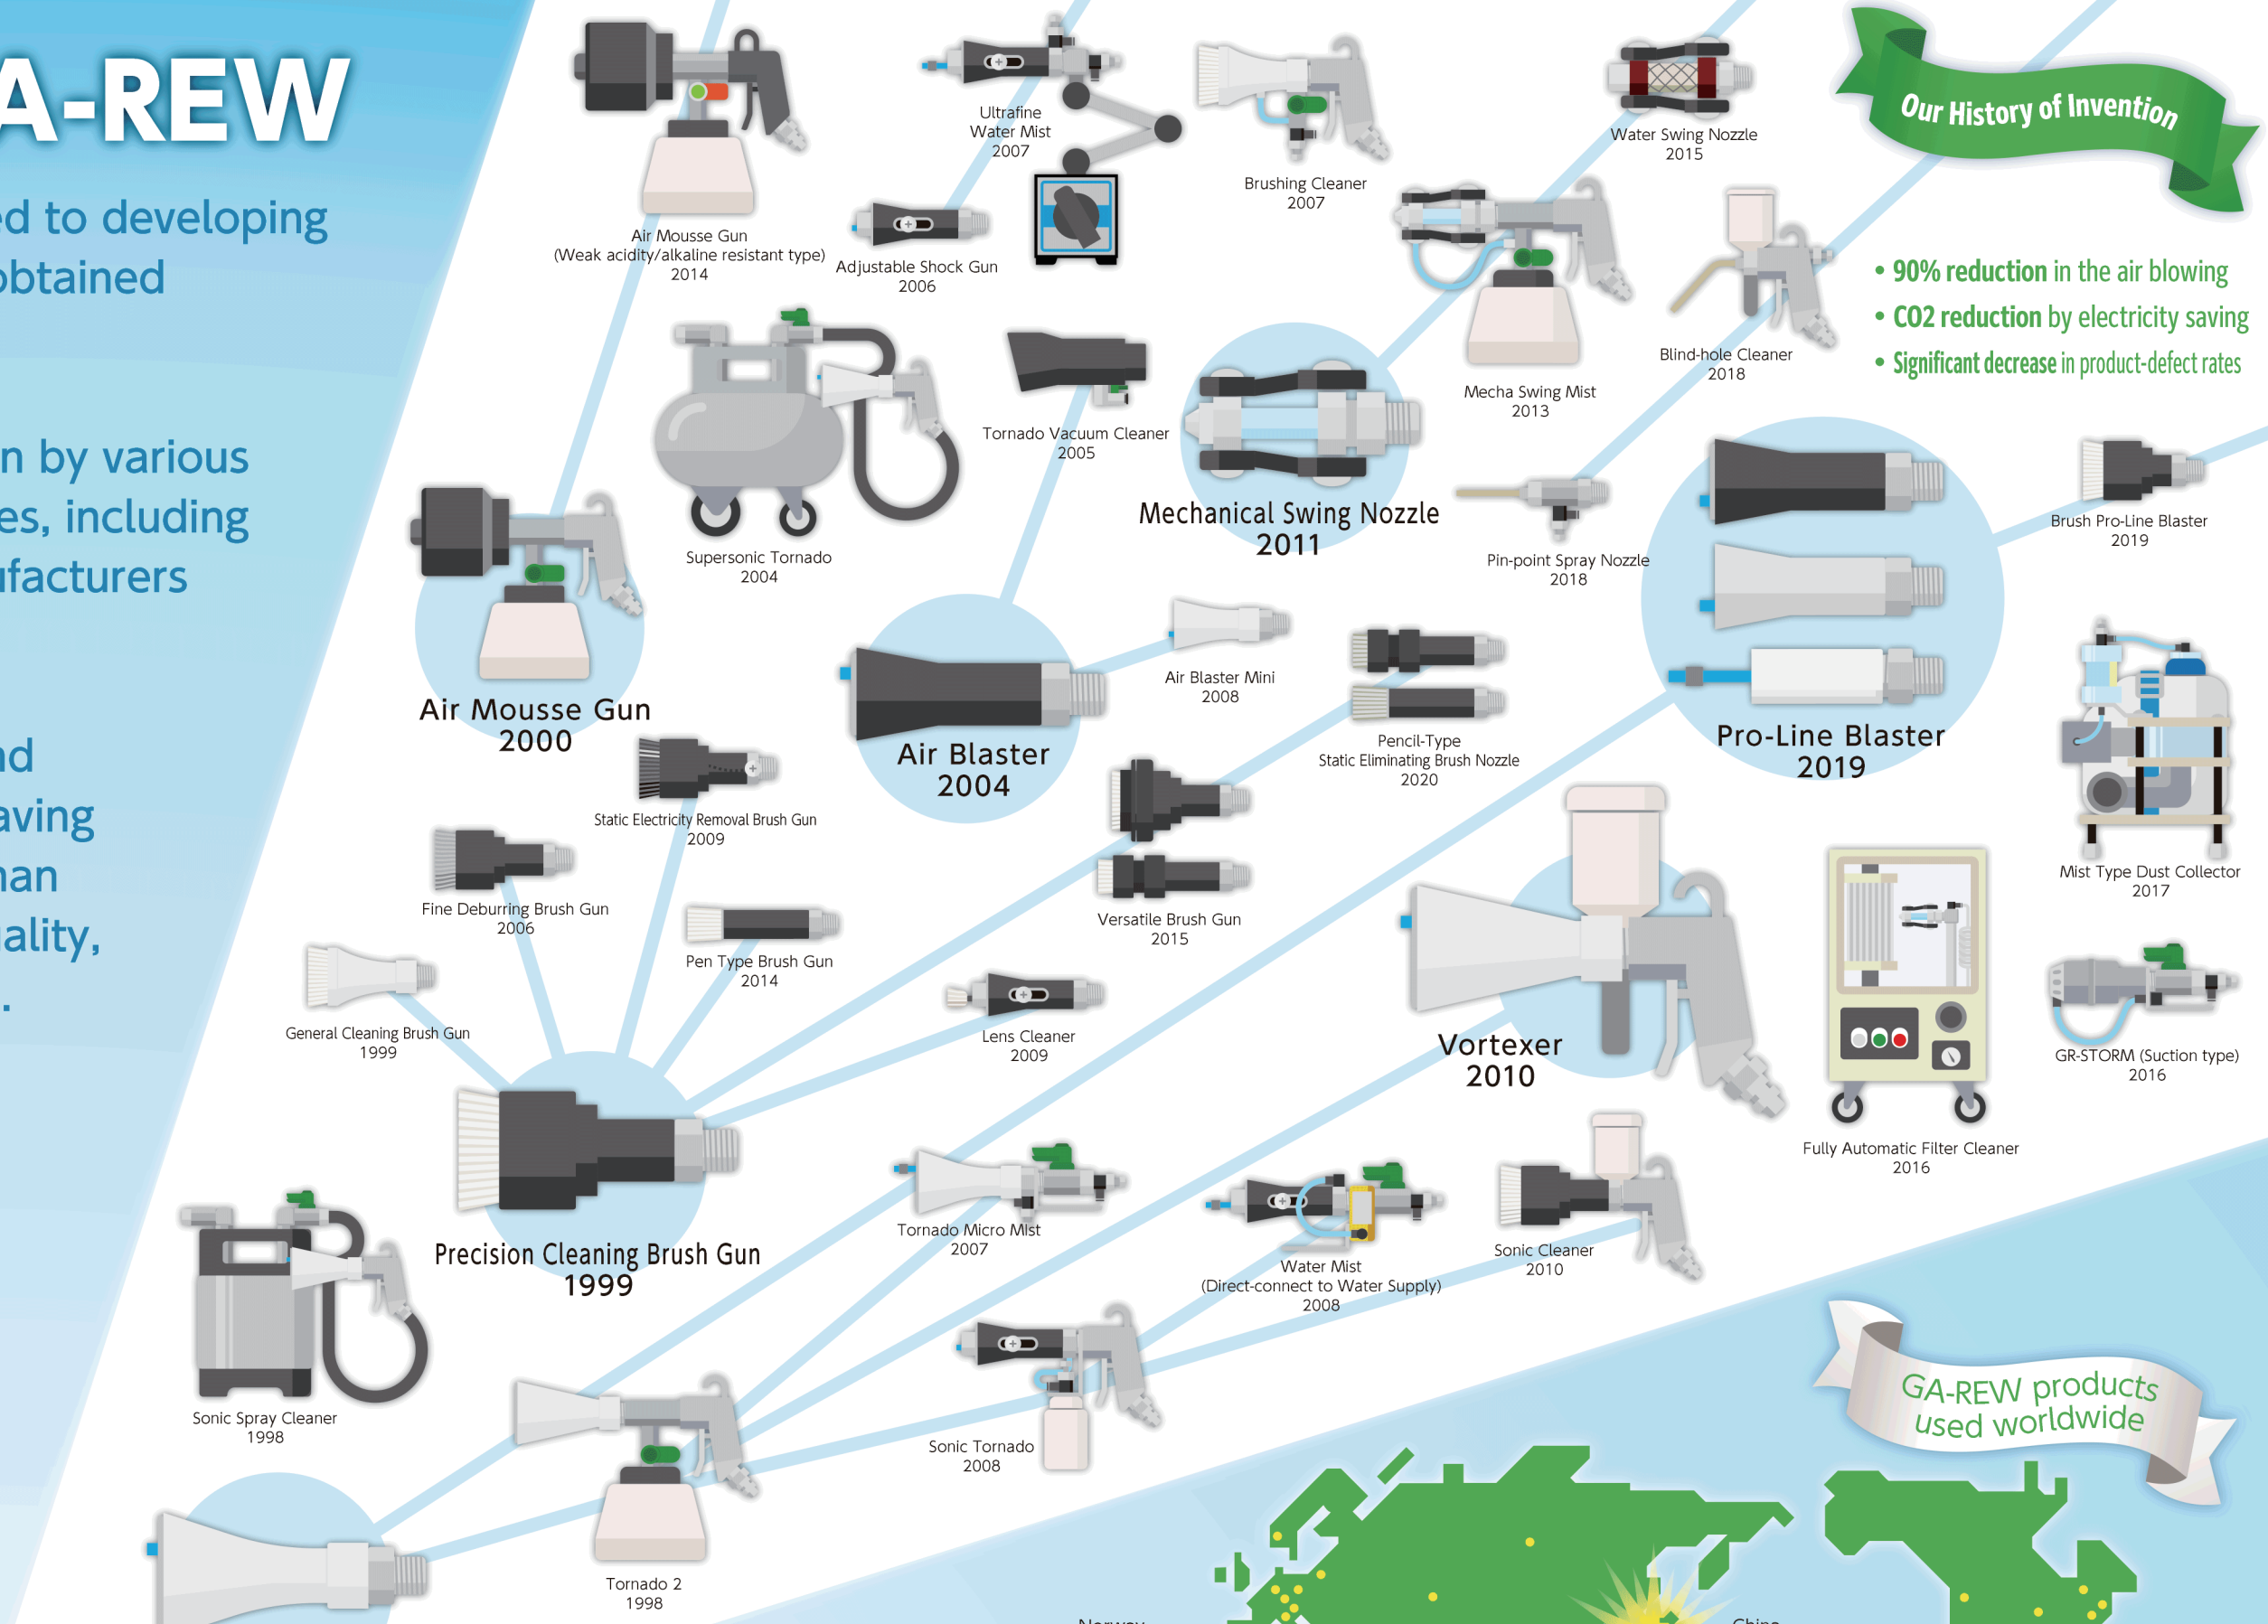

## Company Overview

Company Name: GA-REW Co., Ltd.  
 Head Office Location: 5-7-2-102 Nishiogi-kita, Suginami-ku, Tokyo, Japan 167-0042  
 Phone: +81-3-6765-0099  
 Facsimile: +81-3-6762-0909  
 CEO: Chinatsu FURUKAWA  
 Date of Establishment: November 1, 2002  
 Capital: 3,000,000 yen

## Our History of Invention

- 90% reduction in the air blowing
- CO2 reduction by electricity saving
- Significant decrease in product-defect rates

## GA-REW products used worldwide
